

## Fighting Fire With Fire

Intro: 7 strokes Am, every 2<sup>nd</sup> stroke open strings)

1.

Am Am/G Am  
I should have known I was right when you said I was wrong  
G Am  
I should've known you were weak, when you came on strong  
Am/G Am  
I should have seen where it was going, from the very start  
G Am  
When the cracks started showing in your bleeding heart

Chorus:

Am G  
Fighting Fire with fire  
Am  
When you gonna learn  
Am /Dm  
You fight fire with fire  
Dm Am  
You know you're gonna get burned

2

I should've known it meant nothing, when I saw the plan  
I should've known you were bluffing, when you showed your hand  
I should've known you were cheating, when my eyes met yours  
I should've known I was beaten, when I hit the floor

## Chorus

## Bridge:

Dm  
Well you can feel it burning, that intense desire  
Am  
You can't seem to quench it, your heart's on fire  
Dm  
But don't you know that it's a dangerous game  
Em Em7  
When you get too close to an open flame

## Chorus

## Instrumental

Repeat Bridge and Chorus, abrupt stop on final “burned!”
