

WHEN YOU ARE OLD (Original tune; lyrics W.B. Yeats)

Intro: Dm/Am x 3, G/Am x 1

1

Dm Am

When you are old and full of sleep

Dm Am

And nodding by the fire, take down this

Dm Am

And slowly read, and dream of the so

G Am

Your eyes had once, and of their shade

Chorus.

How many loved your moments of glad grace?

How many loved your moments of glad grace
G Am

And loved your beauty with love false.

And loved your beauty with love false and true
G Am

But one man loved the pilgrim soul in you,

And loved the sorrows of your changing face

2

And bending down beside the glowing bars

Murmur, a little sadly, how love fled,

And paced upon the mountains overhead

And hid its face among a crowd of stars.

Chorus

Instrumental (Verse pattern)

Repeat 2.

Repeat Chorus (fade and slow last line x 3)
